

Product Name: Premium Ceylon Cinnamon Quills

Specifications:

1. **Origin:** Sourced from the lush forests of Sri Lanka, our Ceylon cinnamon quills are hand-selected from the finest *Cinnamomum verum* trees, ensuring authenticity and superior quality.
2. **Variety:** *Cinnamomum verum*, also known as "true cinnamon," distinguishes our product with its delicate texture, rich aroma, and complex flavor profile.
3. **Processing:** Our cinnamon quills are meticulously processed to preserve their natural essence and potency. They are carefully harvested from the inner bark of *Cinnamomum verum* trees and expertly rolled into quills, maintaining their integrity and freshness.
4. **Color:** Our Ceylon cinnamon quills exhibit a characteristic light to medium reddish-brown color, indicative of their premium quality and authenticity.
5. **Flavor Profile:** Experience the exquisite taste of Ceylon cinnamon, characterized by its subtle sweetness, warm undertones, and hints of citrus. Our quills infuse dishes with a unique flavor that elevates both sweet and savory recipes.
6. **Usage:** Perfect for a variety of culinary applications, including baking, cooking, and brewing aromatic teas. Add a cinnamon quill to your favorite recipes to enhance their flavor and aroma with the essence of Ceylon cinnamon.
7. **Packaging:** Our Ceylon cinnamon quills are carefully packaged to ensure maximum freshness and flavor retention. Each package is sealed to preserve the quality of the quills until they reach your kitchen.
8. **Ethical Sourcing:** We are committed to ethical sourcing practices, supporting local communities and promoting sustainable harvesting methods in the cinnamon forests of Sri Lanka.
